# Learn to tell the time in 'PAST & TO' format

Three simple steps to learn to tell the time in terms of 'Minutes Past' and 'Minutes To' the hour:

## Step 1:

Read the number at the end of the long hand

## Step 2:

Say which side the long hand is pointing to: 'minutes past' or 'minutes to'

## Step 3:

Read the number at the end of the short hand

Put it all together like this: '8... minutes to... 2'

**It's that simple!**

Use this method with our 'Past & To' Products

# Learn to tell the time in '24 HOUR' format

Two simple steps to learn to tell the time in the style of the 24-hour clock

**Step 1:**

Read the number at the end of the short hand

**Step 2:**

Read the number at the end of the long hand

Put it together like this: '1:52'

For 24 hour time, say '13:52' after midday.

**It's that simple!**

Use this method with our '24 Hour' Products
