AGE 4+

CHOOSE YOUR TIME TEACHING METHOD

Method One: 'Past & To'

If you want your child to say the time as 'minutes past & to' the hour, use our 'Past & To' products & follow 3 easy steps:

- 1 Read the number at the end of the long hand... '8'
- 2 Say which side the long hand is pointing to – 'minutes past' or 'minutes to'?.... 'minutes to'
- 3 Read the number at the end of the short hand... '2'

Put it together and say it like this: '8... minutes to... 2'

Method Two: '12/24 Hour'

If you want your child to say the time like they're reading a digital clock, use our '12/24 Hour' products & follow 2 easy steps:

- 1 Read the number in the section the short hand is pointing to... '1'
- 2 Read the number at the end of the long hand... '52'

Put it together and say it like this: '1:52'

Or, after midday, for 24 hour time say '13:52'
